**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I've chosen a competitive provider for internet AND telephone and am very satisfied with their service and the cost.

Having only one or two mega-provider(s) will absolutely lead to price increases and likely service downgrades.

Bigger is NOT better. Please let consumers support broadband competition.
